***Call for Quotations: MEAIM/009/2015: Hiring of Event Organisation and Management Services for holding the Monitoring Committee meeting on Operational Programme II and Monitoring Committee for Maritime and Fisheries Operational Programme 2014-2020***

***Subject: Replies to requests for clarifications***

Below please find replies to request for clarifications forwarded to the divisions.

**Question (1):** Can you please advise whether the two meetings will be taking place in the same room, one after the other or if they are using separate rooms? If separate rooms, then we will need to know exact details of which room is being used for which group.

**Answer (1):** The meetings will be held in the same room one after the other. It is therefore being clarified that glasses being used for water consumption will need to be changed in between the meetings.

**Question (2):** Please also confirm which area each group will be using for their F&B during the meeting.

**Answer (2):** The F&B will be served in a separate room next to the meeting room.
