## **Clarification Note No. 1**

---

1. Following a clarification request by one of the interested bidders, below kindly find the Contracting Authority's reply:

**Question:**

We have taken note of the attached request, yet we ask ourselves what about the actual required equipment for simultaneous interpretation. Is this available onsite for you already or do you need this?

If you need it will you issue a tender for this too?

**Reply:**

This RFQ is only for the provision of Simultaneous Interpretation Services. The actual required equipment for simultaneous interpretation will be included as part of the RFQ MEAE/FPD/017/2017: Request for Quotations for the hiring of a venue inclusive of equipment and the provision of catering for the meeting of the Monitoring Committee of the European Agricultural Fund for Rural Development for Malta 2014 – 2020.
