As part of the implementation process, projects co-financed under the AMIF and ISF National Programmes for Malta 2014-2020, the Responsible Authority (RA) is currently undertaking an interim evaluation on projects financed between 1 January 2014 and 30 June 2017.

The aim of the evaluation is to examine the implementation of actions co-financed under the AMIF and ISF Programmes covering the 2014-2020 period in accordance with Article 57(1) of Regulation (EU) No 514/2014 'laying down general provisions on the Asylum, Migration and Integration Fund and on the instrument for financial support for police cooperation, preventing and combating crime, and crisis management'.

Within this context, in the coming weeks you will be contacted by the Strategy and Implementation Division within the Ministry for European Affairs and Equality who have been mandated to undertake this exercise.

You are kindly requested to bring the contents of this letter to the attention of relevant members of staff dealing with the Migration and Security Funds 2014-2020 in order to ensure that the required information is provided in a consistent and timely manner within the stipulated timeframes.

I trust in your full support in undertaking this exercise and thank you in advance for your cooperation.
